# Attention 114 Members

With Covid-19 more and more businesses have switched to an online format. Meetings are being held via online video and important unit votes are also now able to take place electronically.

In order to ensure members are included in meetings and votes taking place at their workplace, and provide better communications to you from your Union, we are requesting current contact information. (email and phone number)

If you have changed your contact info or don't think the local ever had it, please contact us via one of the following:

Email: [support114@uniforblocals.ca](mailto:support114@uniforblocals.ca)

Phone: 604-524-9457 or toll free 1-800-841-5911

With the new online formats, you can join a meeting or take part in a vote using your cell, home phone, computer or tablet.

**Please note your information will be kept private and you will only receive important Union information regarding meetings or votes. NO SPAM**
