

Re-elect Sandra Kucheran for Local 114 Trustee

I have been a Brinks Canada employee for the last 18 years.

I was elected unit chairperson of the GVA in 2017

I was also elected for a second term on both OH&S committees, for Langley and Vancouver.

I believe in being fair, upfront and definitely not afraid to fight for our members rights!

With my strong union values, my leadership experience, and love for my family, I'm asking for re-election to Unifor local 114, trustee.

I have been a trustee since 2013, if re-elected, I vow to continue to work hard with the other trustees to audit the Local's accounts.

Since being elected, we have worked hard to make sure our locals finances balance and are accounted for.

So I sincerely ask for your vote for trustee local 114.

Make the right choice; vote Sandra Kucheran for re-elect trustee 114.
