Please Post 2nd Mail-Out

Dear Unifor Local 114 Members;

Over the next several weeks you should receive a package from the local marked "Beneficiary Card Enclosed". This is a mail-out with information from American Income Life Insurance who offers our membership and retirees a free \$4,000 Accidental Death and Dismemberment Benefit.

If you fill out the blue card and return it to AIL in the orange return envelope, a representative from AIL will contact you by phone (and my setup a "Video Conference Call") to verify your "Certificate of Coverage" and to also give you information on other supplemental insurance programs at a cost to you. **If you do not want to be contacted by AIL do not send in the blue card.** You will still be covered for the free \$4,000 Accidental Death and Dismemberment Benefit, however it would be made payable to your estate not to a beneficiary of your choice. If you have any questions call the Local Office or your Local Representative. **Bill Gaucher Secretary Treasurer Unifor Local 114**

The package will include the following items:
