

# VOTE DEAN WILLIAMS ★ ★ ★ ★ ★ ★ ★ FOR GUIDE

Hello Unifor 114 members, my name is Dean Williams and I'm looking for your support in the upcoming election for the position of Guide in our Local Executive. I've been a proud member of Local 114 as an employee of Ledalite for 22 years. I'm a lead hand in the Fabrication Department and I've been a Shop Steward for the past 12 years. I've previously been on the Health & Safety Committee from 1999-2011 as well. My co-workers have selected me to represent them in 3 rounds of Collective Bargaining in 2006, 2009 and 2016. I hope to take the experience I've acquired in my 22 years and apply them to a new role on our Local Executive while still learning from our returning executive members. I am a passionate activist and advocate for workers rights and I try to always inform my friends and family on the importance of supporting the labour movement whether they are unionized or not. I like to keep up on our local union's activities even as a non executive member and I hope to soon attend the meetings as an executive member. I am a proud dad of 2 amazing young boys aged 8 & 11 who keep me busy. I enjoy many sports including running which I try to fit it into my schedule as often as I can. I just completed my 4th Half Marathon in Vancouver in early May.

I have been fortunate to travel to our great training facility in Port Elgin to learn such things as:

- Collective Bargaining
- Grievance Handling & Workplace Leadership
- Human Rights
- PEL 4 Week Core Program
- Conflict Resolution
- Stress: The Workplace Hazard
- Ergonomics
- Health & Safety

**Thank you for your support**  
**Dean Williams**
