Promotional Items

Why have promotional items for sale?

The purpose of this catalogue is to have promotional items available that our members can purchase to show their union pride.

We have been asked by many members to have items for sale.

Why should members have to pay for these items?

Unfortunately we have over 4,000 members in our local and we can not supply these items for free. What we can do is offer these items at our cost to our members. Over the next several months we will be adding additional items and "Special Order" items for our membership.
