

Elect Hardip Johal for Guide of Local 114

Hello to all Members of Unifor Local 114.

My name is Hardip Johal and I am running for the position of Guide for Local 114. I am running for this position for the first time but have been an active member of Unifor since 2000 when I became an employee at Whistler/Squamish Transit.

I am currently one of the Elected Shop Stewards at Whistler/Squamish as well as an active member of the Bargaining Committee for our 2008-2012, 2012-2015 and 2015-2020 Collective Agreements. Through my representation of my fellow members at the

Bargaining Table, and as a Steward I gained a wealth of knowledge over the course of my 19 years of involvement with Unifor.

I am an active member of and in my community and will be able to bring that perspective to the Local in my service of the best interests of Local 114 and be a diverse voice for all the members of Local 114 while working with its other elected executives.

Please take the time to Vote in this important election.
