*Viking Air Ltd, local 114*

Hello Everyone,

My name is James Young, I am an AME-E Apprentice at Viking Air Ltd, local 114. I have been with Viking Air, and the Union for 14 years.

My current position is as a Shop Steward and I have held this position for 4 years. I was also recently elected as a delegate to the Unifor National Convention.

I take my role in the Union very seriously, improving my skills and abilities in order to serve my membership more efficiently. I have taken some courses at Port Elgin over the last 4 years.

These courses are:

- Human Rights
- Conflict Resolution
- Grievance Handling & Workplace Leadership
- Collective Bargaining

These learning opportunities have allowed me to grow my ability, to serve my membership better.

Being elected to the position of Sergeant At Arms would give me the opportunity to serve the local on the mainland but also back home on Vancouver Island. It would be a privilege to serve.

***I would be honoured by your support, to be elected to the position of Sergeant At Arms.***

In Solidarity,

James Young
