

Vote Maurice Mills for Second Vice President

Active

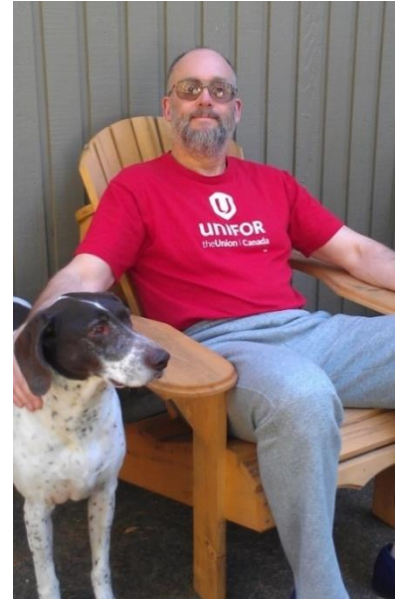

Involved

Experienced

I believe the executive and committee chairs should be active, involved and experienced. I have made presentations to the commission on Electoral Reform, the Labour Code Review, and the Worker's Compensation Board Review. I have lobbied over 25 MP's and MLA's on Armoured Car issues.

I am the only one in my Bargaining Unit to register a written complaint with ESDC. I am the only one in my Bargaining Unit to do a work refusal under Section 128 of the Canada Labour Code.

I am always the one to ask the tough

questions, of both the employer and the executive. I don't just talk stand up for the members, I do it.

- Shop Steward at Brinks Canada Limited since 2008
- Elected to three Bargaining Committees
- Health and Safety Co-Chair in the Langley branch
- Delegate/former chair to the National Health and Safety Policy Committee since 2015
- I have conducted numerous bullying, harassment, accident and incident investigations
- Trustee on the Local Executive for three and a half years (2012)
- Second Vice President on the Local Executive for three years (2016)
- Former Local 114 delegate to the Vancouver and District Labour Council, and the New Westminster and District Labour Council
- Attended almost every Local 114 General Meeting since 2012
- Consistently attend the Christmas Open House, Lunar New Year and Vaisakhi events
- Volunteered on NDP campaigns in the Provincial and Federal Elections
- I was part of the lobby that led to Private Member's Bill C-285, the National Standards for the Transport of Currency and Valuables Act
- I was instrumental in the process that combined BC and Ontario Bargaining
- I made the company accept a Unifor delegate from Montreal on the National Health and Safety Policy Committee before Quebec completed bargaining their first contract.

I believe a member wishing to run for the position of Vice President of a Local should demonstrate their activity and involvement for the Union. I am asking your support for myself, Maurice Mills, for Second Vice President.
