

Road Transport Survey
International Road Transport Action
Week 11-14th, 2011

International Transport Workers'
Federation (ITF) and CAW Local 114

How can we improve the Road Transportation Industry for Drivers?

Please take a moment to help us understand the Road Transport Industry and tell us how to improve your working conditions in the Trucking Industry. When you're done, please give the Survey back to the CAW/ITF Participant. We are not collecting any personal information unless you would like give it to us to stay in contact.
