

Elect Steve Frank for 2nd Vice President of Local 114

Hello to all Members of Unifor Local 114.

My name is Steve Frank and I am seeking to be elected as the 2nd Vice President of the Local. I will be new to the Local 114 Executive, but have been an active member of Unifor since 2006.

I am an employee at Cascade Aerospace in Abbotsford British Columbia as a Licenced Aircraft Maintenance Engineer. Cascade Aerospace is a third party, aircraft maintenance and overhaul facility that has over 300 Unifor members in several skilled trades classifications as well as supply chain and office professional positions.

Cascade performs maintenance on a wide range of Aircraft Types, Boeing, Bombardier and Lockheed Martin aircraft to name a few. I have been employed at Cascade for over 21 years and I have been a Crew Leader for over 18 years.

I am currently the Elected Plant Chair Person for Cascade Aerospace and I have been in this role for several years. I have also served on all the Elected Bargaining Committees at Cascade Aerospace since joining Unifor in 2006 through which I have gained a wealth of knowledge over the course of my 13 years of involvement with Unifor.

I am an active member of Unifor both locally and nationally. I was fortunate enough to be able to attend the founding convention for Unifor in 2013. I also attend the Unifor Aerospace Council annually and in August of 2018 I was elected as a Trustee. I have attended several training courses including Grievance Handling and Workplace Leadership, BC Fed Preventing Stress in the Workplace, and Guide to Violence Prevention in the Workplace.

If elected I will use my wide-ranging background to serve in the best interests of Local 114 and be the voice for all the members of Local 114 while working with its other elected executives. Please take the time to vote, and **vote for Steve Frank for 2nd Vice President of Local 114.**
