

## **Amneek (Ricky) Johal**

For 3rd Vice President  
Time for Change

Please vote and elect Amneek Ricky Johal  
For 3rd vice President for Local 114

Dear fellow Unifor Local 114 Members:

I have been with local 114 for 19 years as a member working for DHL Express.

During my time here at DHL Express I have been a driver, a warehouse person and an owner operator, which has allowed me to interact with colleagues at all levels exposing me to an array of views and issues.

I have been serving as a shop steward for the last 10 years with the added responsibility of Unit Chair for the last 5 years. During this time I have worked collaboratively with our Unifor national representatives on bargaining new contracts for the DHL Express members nationally, I have represented workers to management, negotiated a variety of issues and ensured implementation of agreements.

I am humbly asking for my fellow members to come out and vote for me as the 3rd vice President because it is time for a change. I want to make the union even stronger by ensuring all the members of local 114 are listened to. There will be no chapter too small and no problem too big. I want the union to involve all members; and when problems arise, the union should and will support every member equally.

I humbly ask for your support to build a better Union with all Members at the centre.

Thank you for your consideration and support  
In Solidarity
