

Bio -- Brother Bill Gaucher

Constitution and By-Laws Committee Chairperson

Unifor Local 114

I have been involved in the labour movement for over 40+ years, either as a Shop Steward, Bargaining Committee member or holding an elected position at the Local level. I joined the former CBRT & GW in 1980 while working at Consolidated Fasfrate, and, as an elected lay member of the National Executive Board of the CBRT&GW, was involved in the initial talks within that Union regarding the merger between the CBRT & GW and the CAW in 1994. I have been involved in all the aspects of the Local, including Collective Bargaining, Arbitrations, Conciliations and Appeals.

I was first elected as the Local's Secretary Treasurer in 1981 and have held that elected position for the past 40+ years. I currently chair the Local's By-Laws and Constitution Committee and have done so for as long as I have been Secretary Treasurer of the Local.

I'm a Trustee on the Unifor Umbrella Pension Plan (since 1995). I was also the President of our union's Road Transport Council for many years. I'm a graduate (1986) of the Canadian Labour Congress Labour College of Canada.

I'm very involved in my community with United Way and Variety "The Children's Charity" and I was awarded the United Ways Joe Morris Labour Community Service Award in 2009.

I have always dedicated my time and energy towards the Union and our Local, and my personal commitment has always been to see that our membership is served. I encourage and push our members to get involved in our Unions campaigns and to become active in our communities. I have had the privilege of seeing so many members getting involved and watching them grow and become such great activists within our union and in our communities.

I have been involved in writing up most of our Local By-laws over my many years with the Local Executive while chairing the Constitution and By-laws Committee.

I'm asking for your support to be re-elected as our chairperson of our Constitutional and By-Laws Committee for Local 114.
