

A message from your Local 114 President

Labour Day is quickly approaching, a day of tremendous significance to our union and a time to celebrate working people everywhere.

As Unifor members and their families and friends are preparing to celebrate Labour Day 2021 across this country on Monday September 6th they will be recognizing the historical importance of Labour Day as a celebration of all workers. Our Unifor Union was created and born on Labour Day.

To all our members and staff who have been working non-stop throughout this Pandemic thank you for your tremendous contributions and unselfish dedication to your jobs and responsibilities.

I would also encourage our members to think about the Federal Election scheduled for Monday September 20th its important to get out in your communities on this Labour Day and talk to your families and friends about the issues that are important to you and your family. Ask the candidates running in your areas how they stand on these important issues. *Please follow any Provincial Health restrictions and orders in your areas.*
