

Manpreet Sandhu For Recording Secretary

*Please vote and elect **Manpreet Sandhu** for **Recording Secretary** of
Unifor Local 114*

Dear fellow Unifor Local 114 members:

I have worked at DHL Express and been a member of Unifor Local 114 for the past 19 years. Over that time I've held several positions such as warehouse, customer service, and owner operator.

I've had the opportunity to represent members of Unifor Local 114 as a shop steward for both warehouse and owner operators, and have also been a past member of the Bargaining Committee.

My background in business and accounting has allowed me to apply my organization and communication skills effectively. These skills have been an asset while representing members in dealing with management and the implementation of the collective agreement.

Make your vote count. I am asking for your support in helping me get elected to the executive position of Recording Secretary and further representing the members of Local 114. The experience and knowledge that I've gained over the years will ensure I do an excellent job.

Time for change! Together, we can make it happen. Thank you for your consideration.

In solidarity,
Manpreet Sandhu
