

Vote Maurice Mills for Recording Secretary

I am one of many active, involved and experienced volunteers.

I have made presentations to the commission on Electoral Reform, the Labour Code Review, and the Worker's Compensation Board Review. I have lobbied over 25 MP's and MLA's on Armoured Car issues. I have supported strike lines during labour disputes outside my own workplace including Regina in January 2020. I have participated in numerous Union demonstrations and rallies.

I consistently send a report to be read at meetings to update the membership on developments in my bargaining unit.
